## Raffles

Raffle tickets will be given at the time of registration. Please put your first and last name on the back, and then into the bucket. We will randomly draw one ticket from the bucket for each prize given away. You must be present to win, and you must show your badge to claim your prize. If your ticket is drawn and you are not present, it will be placed back into the bucket for future drawings. Only one door prize per person may be won. Drawings will start both Friday and Saturday at 8:00 PM. Play-to-Win prizes will be announced separately.

# Play-to-Win

---

The only thing better than playing a game you enjoy is getting a chance to win it just by playing. To participate check out and play one of the many Play-to-Win games from the game library or play in a scheduled game. Each time you play make sure to put your name on a ticket. Only one entry per person, per day, per game.

On Sunday at 4 PM, we will hold the Play-to-Win drawings. Each person is limited to one Play-to-Win prize. If your name is drawn again, another name will be drawn. If you are unable to claim your prizes in person you may designate a friend to claim your prizes in your stead by giving them your badge. Your badge must be used to claim the game.

## Open Gaming

Pick a game and play it in the open gaming area. Games can be borrowed from the game library and you can also look for games with “Players Wanted” signs to join. The open gaming area will be open all day and all night.

Is there a particular game that you’d like to learn? We will also have “Players Wanted” and “Teacher Wanted” signs available at the Game Library that you can take to a table with you. Now you can recruit more players or a teacher for that game you’ve been dying to try!

## Game Library

While at STGCON, we will have an awesome game library set up with over 650 games for attendees to borrow and play. You may need a photo ID or Credit Card to be able to check out games. There is no fee, and these items may be held while you’re playing, and returned when the game is returned to the library.

**HABA® Games**

## Photo Sharing Contests

We love to have attendees share photos of the games they are playing at STGCON! Every time you share a photo of a game you are playing, you are entered to win a prize! Throughout the convention, we will randomly give prizes for photos posted on Facebook.

**How to Enter:** Share a photo on our Facebook page, tell us what you are doing in the photo, and tag @stgconut

Have great pictures but don’t use Facebook? No problem! Just email them over to us at [stgconut@gmail.com](mailto:stgconut@gmail.com) and we will upload them for you!

## Flea Market/Game Trade

Do you have old games that are ready to move on, won something that isn't your cup of tea? We will not be holding an official scheduled flea market this year. Instead, we will be setting aside a space for those wishing to sell or trade, and leave their contact information.

Attendees will be able to peruse through the games throughout the convention, and contact those who are selling/trading. You are also welcome to bring a sell/trade list that we can post at the flea market space! This is a great opportunity to enhance your personal game library with sometimes hard to find games!

STGCON is not responsible for the quality or completeness of games at the flea market. Make sure you inspect all games before buying!

## Vendors

Please make sure to check out and support our vendors. The vendor area will be open Friday from 2pm to 10pm, Saturday 10am-10pm and Sunday 10am-4pm.

## STGCON After Dark

Join us for STGCON After Dark in Open Gaming Area 3 on Friday and Saturday night at 10 pm. We will be playing games such as Cards Against Humanity and GETSOME, which are adult themed. No one under 18 will be allowed in the After Dark area after 10 pm, without a parent. All other late night gaming will be conducted in Open Gaming Areas 1 and 2. Put the kids to bed and come join us for some hilarious late night gaming!

# DUNGEON BUSTERS

7+ 3-5 20 min

## Contents

51 Playing Cards  
45 Gem Tokens  
1 Starting Player Token

**Fight monsters, capture gems,  
and suspect your comrades!**

A party of heroes adventure into a monster infested  
dungeon rumored to be filled with precious gemstones!

If these heroes heartily join forces they can surely  
defeat the monsters, but these Dungeon Busters are  
not without a touch of greed. If a hero holds back a bit  
in a brawl, perhaps all will be forgiven in the flush of  
victory. But beware! Should that touch of greed get out  
of hand and cause defeat, the laziest fighter will suffer  
the consequences...

## Code of Conduct

While at STGCON please be on your best behavior so that everyone can have a fun time! That said, please keep the following policies in mind.

**Children:** All attendees 12 and older must have a STGCON badge. Children under the age of 12 must be accompanied by a parent or legal guardian; minors age 12-17 must have a responsible guardian present at STGCON at all times. The City of St. George, UT requires a midnight (12am-5am) curfew for minors under the age of 18.

**Badges:** Badges should be worn prominently at all times.

**Smoking:** In accordance with Hotel Policy and Local Laws, there is no smoking in the convention area.

**Harassment:** STGCON is dedicated to providing a harassment-free and inclusive experience for everyone, regardless of gender, sexual orientation, disability, physical appearance, body size, race, gender identity or religion. Therefore, we do not tolerate harassment of participants in any form. Participants asked to stop any harassing behavior are expected to comply immediately. If you disagree that your behavior is harassment, that is fine, but the behavior should stop anyway.

If you feel harassed, you may inform the offender that you would like the harassing behavior to stop immediately. If you are not comfortable doing this, you may contact a STGCON staff member who will address the concern.

If anyone engages in harassing behavior, STGCON organizers may take any action they, in their sole discretion, deem appropriate, including warning the offender or expulsion with no refund.

**Games:** Please treat the games with respect and put them away nicely.

**Food:** Unfortunately no outside food is allowed in the hotel, but water will be provided and snacks are available from the hotel concierge.

## Privacy Policy

By attending STGCON, you agree to the use of your image for any promotional or marketing material.

## Thank You!

As directors, we want to express our thanks to all of the members of our Washington County Board Game Group for their help, because without them there wouldn't be an STGCON. They have been there for us from the beginning, and we're very grateful!

A special thanks to all of the great publishers and our local sponsors who have supported us for this year's STGCON. We thank you for backing events like ours and helping to make this industry stronger every year!

We also want to extend special thanks to Dale Gifford of SaltCon, whose helpful tips and resources have helped to guide us and give us the ability to create a great convention for all!

Last but not least, this convention can't happen without all of YOU, our attendees! We're grateful for all of the gamers out there who could attend STGCON 2016, and don't forget to tell all of your family and friends to join you next time!

# TYRANTS OF THE UNDERDARK

## SEIZE THE UNDERDARK!

Take your place as a villainous leader of a drow house and fight for control of the Underdark. Build your deck throughout the game to recruit drow, dragons, cultists, and demon minions, and use them to assassinate enemy troops or infiltrate and control your opponents' strongholds. Choose your strategy carefully, though, for only one house can rule the Underdark!
